

Do I need a test before ending my isolation?

☒ I was inside NJ MacPherson for any time between April 26 and 30.

☒ I was at one of the "red" exposure locations at any of the listed times in the notice.*

☒ Someone in my house tested positive for COVID-19

☒ I haven't been exposed but I have symptoms of COVID-19

☒ Public Health called me and said I had to be tested

☒ I took a test, but it was less than 10 days after exposure **

If you have said yes to ANY of the above, PLEASE GET TESTED

☐ I live in the same house as someone who was at N.J. MacPherson, but I wasn't there myself.

☐ I live in the same house as someone who was at a "red" exposure location, but I wasn't there myself.*

☐ I haven't been exposed to anyone who has, or is suspected, of having COVID-19

☐ I have no symptoms of COVID-19

If you have said no to ALL of the above, PLEASE DO NOT GET TESTED

When can I leave isolation?

☒ Everyone in the house who was required to be tested (see above) has received a negative exit test result.

☒ I have completed my isolation period as required **

☒ During my isolation period, I have not been exposed to anyone with COVID-19

☒ I have had no symptoms of COVID-19 now or during my isolation

☒ I have not been given further specific isolation instructions by public health
