

Having a Virtual Patient Encounter?

BEFORE THE ENCOUNTER

- Determine the most appropriate type of encounter
 - Virtual (phone call or video call)
 - In-person

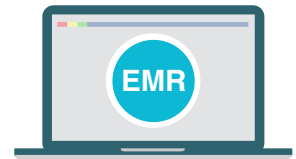

IF VIRTUAL PHONE ENCOUNTER

- No consent needed
- Document encounter in the EMR

IF VIRTUAL VIDEO ENCOUNTER

- Get verbal consent
 - Insert consent into EMR by: Typing:
ptconsent1 and pressing the *space bar* or *enter*
 - Document encounter in the EMR

AFTER THE ENCOUNTER

- Delete all patient information from the app/device
